EDUCATION STATISTICAL DIGEST

2011

SAMOA

Introduction

The Statistical Digest provides a range of statistics and performance measures related to school education in Samoa.

The information included in the digest is the latest information that is available as of May 2011. Historical data has also been included to reflect changes over time.

The Digest is divided into two parts:

- Part 1 Data from School Census Information System
- Part 2 Data from sources other than the School Census Information System

Part 1

Data from School Census Information System

The Annual School Census data collection held on 3rd March 2011, is a major source of statistical information. The census data is stored in the Ministry's school census information system called Manumea. The school census information system includes a series of reports, which can be automatically produced. These reports are contained in Part 1 of the Statistical Digest.

Part 2

Data from sources other than the School Census Information System

The Ministry of Education, Sports and Culture's performance measure framework includes a range of indicators that are not automatically produced from the School Census Information System. Data has been assembled from a range of sources such as examination results and personnel information. This information is contained in Part 2 of the Statistical Digest.

Table of Contents for Part 1 – Data from School Census Information System

Number of schools by school type and district, 2011	
Size of government schools by district, 2011	
School enrolments by level, gender and status, 2011	
School enrolments for all schools, 2002 – 2011	
School enrolment for government schools, 2002 – 2011	4
Percentage enrolments in government schools, 2002 – 2011	5
Male school enrolments, all schools, 2002 – 2011	6
Percentage male enrolments, all schools, 2002 – 2011	6
School enrolments by district and maximum level provided, 2011	7
Number of repeaters by level in 2011	
Repeaters in all schools by level, 2002 – 2011	8
Percentage of repeaters in all schools by level, 2002 – 2011	9
Transition rates by year level, 2002 – 2011	
Drop out rates (percentage) by year level, 1995 – 2011	11
Number of teachers by school type and district, 2011	
Student-Teacher ratio by school type and district, 2011	
Student-Teacher ratio by level, government schools, 2002 - 2011	14
Number of student absent on Census day (3 rd March 2011)	15
Number of government secondary schools teaching curriculum subjects by level	16
Primary school facilities by Controlling Authority, 2011	
Primary School facilities by Controlling Authority, 2011	
Secondary school facilities by Controlling Authority, 2011	
Secondary school facilities by Controlling Authority, 2011	17
Secondary school facilities by Controlling Authority, 2011	17
Secondary school facilities by Controlling Authority, 2011 Table of Contents for Part 2 – Data from sources other than School Census Information System Average raw score at National Year 8 Examinations Number of students sitting Year 8 Examinations	17 1 1
Secondary school facilities by Controlling Authority, 2011 Table of Contents for Part 2 – Data from sources other than School Census Information System Average raw score at National Year 8 Examinations Number of students sitting Year 8 Examinations Percentage of Year 8 students that sat the Year 8 Examinations	17 1 1
Table of Contents for Part 2 – Data from sources other than School Census Information System Average raw score at National Year 8 Examinations. Number of students sitting Year 8 Examinations. Percentage of Year 8 students that sat the Year 8 Examinations. Percentage of Year 8 students that pass the Year 8 Examination.	17 1 1 1
Table of Contents for Part 2 – Data from sources other than School Census Information System Average raw score at National Year 8 Examinations. Number of students sitting Year 8 Examinations. Percentage of Year 8 students that sat the Year 8 Examinations. Percentage of Year 8 students that pass the Year 8 Examination. Average raw score at National Year 12 Examinations.	17 1 1 1
Table of Contents for Part 2 – Data from sources other than School Census Information System Average raw score at National Year 8 Examinations. Number of students sitting Year 8 Examinations. Percentage of Year 8 students that sat the Year 8 Examinations. Percentage of Year 8 students that pass the Year 8 Examination. Average raw score at National Year 12 Examinations. Number of students sitting National Year 12 Examinations.	1711112
Table of Contents for Part 2 – Data from sources other than School Census Information System Average raw score at National Year 8 Examinations. Number of students sitting Year 8 Examinations. Percentage of Year 8 students that sat the Year 8 Examinations. Percentage of Year 8 students that pass the Year 8 Examination. Average raw score at National Year 12 Examinations. Number of students sitting National Year 12 Examinations. Percentage of Year 12 students that pass the Year 12 Examinations.	1711112
Table of Contents for Part 2 – Data from sources other than School Census Information System Average raw score at National Year 8 Examinations. Number of students sitting Year 8 Examinations. Percentage of Year 8 students that sat the Year 8 Examinations. Percentage of Year 8 students that pass the Year 8 Examination. Average raw score at National Year 12 Examinations. Number of students sitting National Year 12 Examinations. Percentage of Year 12 students that pass the Year 12 Examinations. Percentage of Year 12 students that pass the Year 12 Examinations. Percentage of Year 12 students that pass the Year 12 Examinations. Primary students identified as at Risk, Year 4. All Schools	1711122

No. of Government schools that are meeting the national standards for secondary student-teacher ratio of 1 teacher to 20 students (1:20). Apparent Retention Rate for all schools.	17112223456
Table of Contents for Part 2 – Data from sources other than School Census Information System Average raw score at National Year 8 Examinations	17112234566

Definitions

Apparent Retention Rate compares the number of students in a given year with the size of

the cohort. For example, the apparent retention rate of Years 9-12 for 2011 is calculated as the number of students in year 12 in 2011 $\,$

divided by the number of students in year 9 in 2008.

Completion Rates the percentage of students sitting the national exams is a measure

of completion rates, e.g. percentage of students sitting year 8 exam is a measure of how many students starting year 8 actually

complete year 8.

Drop-out Rate The percentage of students who neither progressed from one level

to the next or repeat the level.

Pri-Sec (Primary-Secondary) A school that provides both primary and secondary levels, e.g. Paul

V1 College has Year 7 & 8 levels. It should be noted that Robert Louis Stevenson School is counted as two schools because of their

physical locations.

SPELL Test A test taken by all year 4 and year 6 students in Government

schools. Most Non-Government schools also participate, but it is not compulsory. It provides an indication of the students whose learning outcomes are identified as being at risk so that they receive attention from teachers in their reading and numeracy

programmes.

Student Teacher Ratio is calculated as the number of students at a school divided by the

total number of teachers (including Principals) at the school. Data is

from Annual School Census.

Transitional Rate is the percentage of students who complete one level and move on

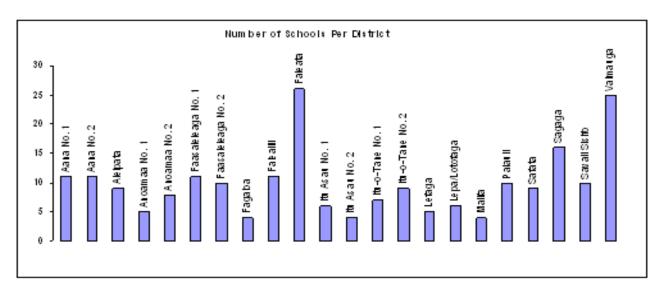

to the immediate level. For example, the transitional rate into Post-Secondary studies is the number of students who commenced post-secondary education in 2011 (Institute of Higher Education, Institute of Technology) as a percentage of the students who were

in Year 13 in 2010.

2011	1062	603	Not Available	1665

Transition Rate⁹ from Year 13 to identified Tertiary Education

Year	Enrolment in Year 13	Total Tertiary Enrolment	Transition Rate from Year 13 to Tertiary
2006	1756	910	57
2007	1652	913	52
2008	1657	894	54
2009	1669	750	45
2010	1853	1177	64
2011	2149	1665	77

⁷ Apparent Retention Rate compares the number of students in a given year with the size of the cohort some years ago. For example, the apparent retention rate of Year 9-12 for 2010 is calculated as the number of students in year 12 in 2010 divided by the number of students who were in Year 9 in 2007.

Students commencing at USP are not included.

⁹ Transition rate into Post School Education is the number of students who commenced post-school education in 2010 (Institute of Higher Education, Institute of Technology) as a percentage of the students who were in Year 13 in 2009. Students commencing at USP are not included.
